Consistent with the interpretation of the examiner in the previous action as the only reasonable interpretation the instant amendment replace various instances of "um" with "nm" is construed as simple correction of an obvious typographical error.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bruce D. Gray on 7-9-2007.

The application has been amended as follows:

Cancel claim 6 as not further limiting claim 1.

In claim 29, line 2, replace "contacting.." with:--contacting.--.

This amendment merely corrects an obvious typographical error and does not materially affect the scope of meaning of the claim.

In the specification, at page 1, line 6, after "2000" insert:--, now abandoned--.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David M. Brunsman whose telephone number is 571-272-1365. The examiner can normally be reached on M, Th, F, Sa; 7:00-5:30.
